SECOND STORY BOOKS DUPONT CIRCLE STORE ANNIVERSARY PHOTOGRAPHY CONTEST
Second Story Books thanks all the photographers who submitted entries to our contest. Photos were submitted in a variety of sizes and resolutions; the resolutions were standardized for ease of sharing online. Other than that, we present the winning photographs as submitted. No cropping, sharpening, color enhancements, etc.

We have divided the photographs into two groups based on image orientation: PORTRAIT and LANDSCAPE. Each group is presented as a separate “book”.

We hope you enjoy the results.
